# Find a suitable Open Access Journal

## New Tools

- Challenging to find OA-journals
- New fields, multidisciplinary research
- Lack of independent recommender

The screenshot shows a search engine results page for the query "journal recommender". The search bar at the top contains the text "journal recommender". Below the search bar, there are several filter buttons: Shopping, Bilder, Videos, News, Bücher, Maps, Flüge, and Finanzen. The search results are displayed in a list format, showing the following entries:

- Sage Journal Recommender**  
https://journal-recommender.sagepub.com · Diese Seite übersetzen  
**Journal Recommender**  
Journal Recommender Sage logo. Find relevant journals for your manuscript, verify against aims & scope, and submit to one directly or use Sage Path.
- Springer Journal Suggester**  
https://journalsuggester.springer.com · Diese Seite übersetzen  
**Springer Journal Suggester**  
Find a journal. Looking for a place to publish? With over 3000 journals, we cover the full range of research disciplines. Although we no longer suggest ...
- Elsevier Journal Finder**  
https://journalfinder.elsevier.com · Diese Seite übersetzen  
**Find a journal | Journal Finder**  
Elsevier Journal Finder helps you find journals that could be best suited for publishing your scientific article.
- Wiley Journal Finder**  
https://journalfinder.wiley.com · Diese Seite übersetzen  
**Wiley | Find a journal match for your manuscript**  
Browse Hindawi Journals - Explore the full portfolio of Hindawi journals. Get ... journal, try our Journal Recommendation service, providing you with 3-5 ...
- IEEE Publication Recommender**  
https://publication-recommender.ieee.org · Diese Seite übersetzen  
**IEEE Publication Recommender**  
IEEE Publication Recommender ... The Article Influence determines the average influence of a journal's articles over the first five years after publication.

# Find an Open Access Journal

Financial support

Finding OA-journals

Research funding

Information and support

- Recommends pure OA-journals based on your title and abstract → thematic relevance
- High quality journals, publisher independent
- Open source software, free of charge

## B!SON

Enter title, abstract and/or references of your article to find a suitable gold-open-access journals for your publication.

Try B!SON's open access journal recommendation here. For advanced filtering and further details visit: [service.tib.eu/bison](https://service.tib.eu/bison)

Title:

Compressible Turbulence in the Near-Sun Solar Wind: Parker

Abstract:

Many questions remain about the compressibility of solar wind turbulence with respect to its origins and properties. Low plasma beta (ratio of thermal to magnetic pressure)
